04 February 2024

To

The Principal/Head of the Institution,

Subject: Application to encourage students to participate in the Bangladesh Olympiad on Astronomy & Astrophysics (BDOAA) 2024

Respected Sir,

I trust this message finds you well. On behalf of the Bangladesh Olympiad on Astronomy & Astrophysics (BDOAA) Committee, we extend our warm greetings. Having successfully hosted the Olympiad for the past six years, we are excited to announce the **7th edition of the Bangladesh Olympiad on Astronomy & Astrophysics in 2024**.

BDOAA, an Outreach Program of **Computational & Observational Astronomy Lab (COALab)** at **Independent University Bangladesh (IUB)**, is dedicated to inspiring and nurturing a passion for astronomy and astrophysics among students. With a proud history of organizing regional and national Olympiads, we have consistently sent talented students to the prestigious **International Olympiad on Astronomy and Astrophysics (IOAA)**, earning notable medals for Bangladesh.

Event Details:

- Online Registration Started: 5 January 2024
- Regional Round (Offline + Online): Mid-Last February 2024 (Tentative)
- National Round (Offline): Mid March 2024 (Tentative)
- National Camp & Further Team Selection: Suitable Time before IOAA according to BDOAA
- IOAA (Brazil) [Aged up to 20]: 17-26 August 2024
- IOAA Jr (Nepal) [Aged up to 15]: 03-10 October 2024

How Schools Can Participate:

We extend an exclusive invitation for students of your institution to register and become participants in BDOAA 2024. Your school's participation is not just about numbers; it's about unlocking exclusive benefits for your students. By encouraging them to join the regional round, you open doors to unique learning experiences and a chance to foster a passion for astronomy. *Registration fee for Online Regional Round is **255 BDT** and In-Person Regional Round is **200 BDT**.* Students can register for both Online and In-Person Regionals together.

While there's no fixed minimum, we appreciate **schools with higher participation**. Institutions with a significant number of participants will be featured prominently and considered as display of **cooperative administration-student environment**. Join us in sparking curiosity and exploration. Register for the regional round and let your school shine bright in BDOAA 2024!

Unique Opportunity: This year, we are introducing the **IOAA Jr** for the **first time in Bangladesh**, catering specifically to our younger astronomy enthusiasts. We believe that your school's participation can contribute to making this initiative a success. The traditional **IOAA** which is targeted towards the youth are also our core focus..

Next Steps:

- Share information about BDOAA with your students.
- Encourage interested students to register for the regional round.
- Ensure students are aware of the significant learning opportunities and experiences BDOAA offers.
- Color Print the A4 Paper Posters and place it on the notice boards of your institution.

By participating in BDOAA, your institution can play a crucial role in nurturing students' interest in astronomy, fostering a passion for scientific inquiry, and contributing to the development of the next generation of scientists. Should you express interest in joining us, we will provide all the necessary support and resources to facilitate your school's or college's involvement in this prestigious event.

Thank you for considering our invitation. We look forward to your institution being an integral part of BDOAA 2024 and making it a memorable experience for your students.

Sincerely,

Sadman Shabab Azad
